

JSW HOLDINGS Ltd JSWHL

Analyst comments-

We are still bullish on the business in the long term but since the stock is already on overvalued side and is likely to face a midterm head wind. we would like to Provide an Exit.

Exit Rationale-

on May 2, 2025, the Supreme Court rejected JSW Steel's plan to acquire Bhushan Power & Steel Ltd. This decision comes more than four years after JSW Steel announced its intention to purchase the debt-laden company. The court's ruling effectively nullifies the proposed acquisition, compelling JSW Steel to reassess its expansion strategy. These developments present significant financial and strategic challenges for JSW Steel.

>JSW Holdings is directly exposed to JSW Steel stock movement.

>If JSW Steel stock weakens, JSW Holdings stock will get affected

>Dividend income risk increases for JSW Holdings for 1–2 years.

>No operational risk (since it doesn't run real business), but NAV shrinkage is real.
